

BILL DRUMMOND
DENVER, CO

Bill Drummond is the Executive Director of the Mid-West Electric Consumers Association in Denver, Colorado. Mid-West represents some 300 consumer-owned utilities purchasing power from the hydroelectric projects of the Pick-Sloan Missouri Basin Program marketed by the Western Area Power Administration. Prior to joining Mid-West, Drummond was the Administrator and CEO of the Bonneville Power Administration.

Before joining BPA, Drummond was manager of the Western Montana Electric Generating and Transmission Cooperative in Missoula, Montana, for 17 years. From 1988-94, he led the Public Power Council, an association of all Northwest publicly-owned electric utilities.

During his 35 years in the energy industry, Drummond has been a leader on many regional task forces and committees, including the Bonneville Environmental Foundation, Northwest Energy Efficiency Alliance, Northwest Wind Integration Forum and Northwest Energy Efficiency Task Force. Nationally, he has served on committees of the American Public Power Association and the National Rural Electric Cooperative Association.

Drummond has Bachelor of Science degree in Forestry from the University of Montana and Master of Arts degree in Economics from the University of Arizona.
